

Temporary Disruption

affecting bus service 93 through East Charleton

Monday 7th to Thursday 10th October 2024

The A379 in East Charleton will be closed from 7th to 10th October 2024 between the hours of 0900 and 1530. Stagecoach service 93 will be unable to serve any stops between Kingsbridge and Strete between these times during this period.

Devon County Council have organised for a replacement shuttle service to operate between Frogmore and Strete during this closure, to connect with the 93 service to/from Kingsbridge. This will be operated by Stagecoach South West as per the timetable below.
